

Grassroots Heroes Zambia

This year 2024 we were able to support three schools through the Mathematics project and are the response from the school that received Textbook and Math sets.

Appreciation letters from the Kazwanya School.

My name is Peter Ngoma and I'm a Mathematics teacher. I would like to express my deepest gratitude to you our donors for your incredibly generous donation to my 8th and 9th grades of Math textbooks. The impact of your contribution can not be overstated, as it has brought an immense amount of joy and excitement to the learners. The new Mathematics textbooks has not only enhanced our library but also beautifully showcased the diverse range of knowledge available to our eager Learners.

I am truly grateful to our donor's support in helping us creating an inspiring and inclusive learning environment for our learners.
